

A Star is Born

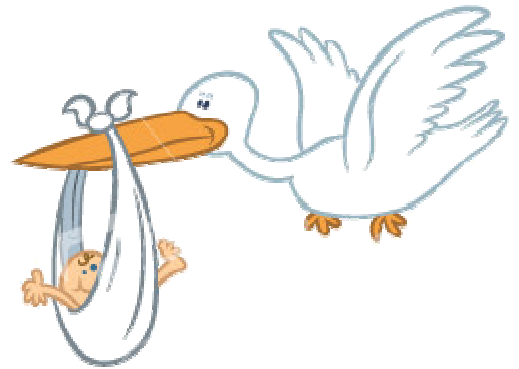

Place your star on
our "Wall of Fame"

The St. Catharines General Hospital Foundation invites you to add the name of your child, grandchild, niece, nephew or your own special "star" to the Wall of Fame in support of the Maternal Child Care Unit at the SCGH.

The beautiful pale blue or pink Corian tile will be engraved with the names of parents and infant, birth date, time of birth, and birth weight. We can even include a 2¼" x 2¼" photo in the centre of the tile, if it is provided.

Your tax deductible donation of \$125 will assist us in the purchase of medical equipment to help our skilled staff effectively care for the General's Future Stars!

Your star will be on display on the Community 2 Wall of Fame until just prior to baby's first birthday at which time you can retrieve it as a keepsake.

**A perfect gift for the new baby,
or a gift for the Christening or Baptism.**
